Commissioner for Patents

The reply filed on August 21, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Claim 14 has been amended from a method claim to a product claim. The Examiner believes this to be inadvertent based on Applicant's arguments because Applicant only discusses claims 1-13 and 16-18 as being under consideration. Still, the current amendment does not reflect a complete showing of the changes made in the claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
